

A top-down view of various gelato-making ingredients and finished products on a light-colored, textured surface. The scene includes four small white bowls filled with gelato in different colors: pink, orange, light green, and white. There are also three empty waffle cones, several colorful round candies, and rectangular marshmallows scattered around. The overall aesthetic is bright and festive.

CUCINA

THE ITALIAN KITCHEN

# GELATO-MAKING

SWEET MOMENTS, CRAFTED TOGETHER

# MIX, CREATE, DELIGHT

Let the little ones discover the magic of gelato-making at Cucina's Gelateria! Perfect for budding chefs, this interactive class blends fun and learning as kids mix, freeze, and taste their own creations. With a Polaroid keepsake, a chef's hat, and a certificate to take home, it's more than an activity—it's a memory in the making.

**AED 99 PER CHILD**

**Includes:**

- Guided gelato-making session
- A chef's hat and certificate of participation
- A Polaroid photo to take home

**Every Friday, Saturday, and Sunday**

**Two sessions daily: 2:00 PM–3:00 PM & 4:00 PM–5:00 PM**

**Booking required**

Secure a spot for your little gelato makers at Cucina's sweetest class.
