

A group of five people are gathered around a long wooden table in a rustic kitchen. The kitchen has a brick wall and a white arched doorway in the background. On the table, there are various ingredients and kitchen tools, including wooden bowls filled with fresh vegetables like tomatoes, peppers, and leafy greens, as well as stone mortars and pestles. A man in a black t-shirt with the word 'CUCINA' on it is standing in the center, smiling and looking at the ingredients. A woman in a white lace top is smiling at the camera. Other people are partially visible, engaged in conversation and looking at the food. The overall atmosphere is warm and inviting.
